Come and Join The Fun! Island Adventures

## **Exciting ports of call**

### **Fort Lauderdale**

Port Everglades is Fort Lauderdale's waterway to the world. This cosmopolitan city spans 23 miles of Atlantic coastline. That's 23 miles of sun, sand and surf for you to enjoy. World-class golf, dining, shopping and sporting events await you in this city by the sea, first made famous in the 1960 film "Where The Boys Are."

### **Cozumel**

Long before Cancun became a popular destination, Cozumel was well-known as a diving spot and home to the world famous Palancar Reef, which gives divers the opportunity to view thousands of brilliantly colored fish. Non-divers can kick back on a sun-drenched beach, or enjoy any number of seaside activities, such as shopping in colorful marketplaces or dining in an open-air café.

### **Limon, Costa Rica**

The lush, peaceful country of Limon, Costa Rica, has long been a well-kept secret among biologists and beachcombers. And it's easy to see why. More than 27 percent of Costa Rica's amazing

terrain is designated as national park, biological reserve, wildlife refuge or some other category of protected area. Home to hundreds of thousands of species of exotic flora and fauna, this special fertile land is also a haven of spectacular beaches that stretch for miles, jungle rivers perfect for rafting and kayaking, and wonderful historic ruins

### **Colon, Panama**

There's more to Panama than the canal. Panama's ethnic mix is reflected in its arts.

This is a proud nation that honors its many Indian tribes and its rich Spanish legacy. You can shop for traditional arts, such as wood carvings and ceramics, tour an Embera Indian village or take part in a peaceful kayaking trip
